Sewing machines, power cord to your machine, lots of projects and anything else you can think of. Be ready to have a great time.

A fan if you are hot blooded. Sweater or sweatshirt if you are cold blooded.

An extra table light. The lighting is good but some may want more light at night. Feel free to bring snacks to share with other retreaters.

We all have to do cleanup before leaving the retreat. We will all participate in clean up on Saturday evening. Bring gloves if you need them to clean. We will all share the jobs.

Money for massages (not sure what day yet).

We plan to have a few vendors.

We encourage each group to have a short demo to share.

Meals

Breakfast will be on your own every day.

Lunch and dinner on Monday will be provided by the retreat committee.

Lunch and dinner on Tuesday, Wednesday, Thursday, Friday & Saturday by the teams. After cleanup is complete on Saturday, we will all depart Wheat State by approx. 9pm. If you are going to leave on Saturday prior to dinner, you must notify the dinner team by not later than Friday that you will not be there for Saturday dinner.

You will have an assigned day during retreat to help provide the meals. On that day you & several other people will make lunch & dinner. This way you will only have one day to be cooking & cleaning the kitchen. We will give you a schedule for meal prep 2 weeks before retreat.

We need at least 20 overnight reservations by July 11 in order to schedule the retreat.
