September 2017 Program

Edyta Sitar

Reasons for Quilting

Let me be your guide on a walk through historical, political, and personal events that have inspired generations of quilters. In my presentation I reflect on quilters work and how they find inspiration to create, to express, and to mark milestones in their lives. The program is full of historical information as well as touching personal stories that many quilters can relate to. I bring along a large collection of quilts (over 50) that will entertain and inspire your members. I hope to inspire you with many reasons to continue to create and enjoy quilting even more than you do now. Edyta Sitar was introduced to quilting by her husband's grandmother, and she hasn't stopped sewing since. Edyta is the owner and founder of Laundry Basket Quilts and is a Moda designer. She is also the author of five books, including *Handful of Scraps: Pieced Into Amazing Quilts*, and her patterns and signature scrappy quilts have won numerous awards. President's Notes

By Donna Lynden

Hi Quilters,

How many of you have wished you could pack up your quilting patterns, and sewing machine and quilt your way across the United States like Erica Plank? Imagine getting to visit every quilt shop! She's a lucky and brave lady!

We've all been waiting for September's program with Edyta Sitar. Her workshops have been full and have waiting lists since the first day to sign up. We tried to get a second day of workshops, but her schedule was totally booked. Some of you may remember our opportunity quilt at the last quilt show. It was made from one of Edyta's patterns. I'm sure we will have many visitors, so please welcome our guests. I have asked for additional seating so get here early for the best seats. Remember, the first 2 rows are reserved for 4 board members, holders and folders, members with disabilities and their helpers.

Weren't the kids quilts awesome last month?! Thank you, Janelle Miller and Linda Timmons, for planning such a great experience for young quilters at all skill levels.

I know those of you who attended the August retreat had great time! Thanks to Mary Graham and Anita Brozik for all your hard work and planning!

Next month Peggy Dawson will take over as president, so I want to thank those of you who have supported me this past year. Your words of encouragement have helped more than you know! I really want to thank my board and committee chairs. I have really enjoyed getting to know them and they have been wonderful to work with. They are what keeps Prairie Quilt Guild running smoothly. Volunteering is the best way to get acquainted with some really great people. The success of Prairie Quilt Guild depends on everyone sharing the load!

Your 'soon to be' Past President!
Donna

Cares & Concerns

Sandy Hatcher (former member) - passed away
Sharon Allman - father has cancer, is not doing well
Lora Lagree's mother was in ICU at the time of the August meeting

Please remember to enter Cares & Concerns in the notebook on the Hospitality table or call Rose Marie Mintz at 316-841-4469.

Committee Chairpersons Needed

At present time I am working to fill the many chair positions our Guild requires. Since only 25 survey sheets out of 600+ members were turned in, I need your help. I still need to fill these positions:

Charity Quilts - this committee will organize the Guild's Charity projects. It includes accepting, sorting and storing materials that will be made into kits for members to complete for the many charity projects including Quilts of Valor, hospice and various children's charities, state disaster projects and other projects as the need arises.

Library - This committee will keep track of the extensive collections of quilting books, magazines, and media. They will be in charge of selection of new books and also choose the ones for deletion. They will need to collect late fees on overdue books, etc. Tami Carlson will guide you through the process and is willing to help out. She is wanting to step down as librarian.

Technology - The appointed Technology Chair answers software and hardware questions, assists in updating software of computers owned by the PQG and advises the Board concerning purchases.

If you are interested in any of these positions, contact me at stillplayswithblocks@cox.net.

We all want our Guild to keep on going and growing, so I ask you all to fill out the survey sheet and turn it in when you get your membership card.

Peggy Dawson

"Stars in Quilts" Workshop - Guild Favorite!

This is a splendid workshop to honor one of the most common loved quilt designs - a star. I will help you to create beautiful star blocks and inspire you by sharing my thoughts, knowledge, and star quilts. The "Star in Quilts" workshop features 15 different star patterns. Through these patterns we will look at star blocks, layouts, sashing and different techniques to set stars in quilts. Workshop requires purchase of \$40 kit.

Library Lines

I have been helping in the library since early in 2012, which was shortly after I moved to Wichita. It has been a great way for me to meet people and to get involved in my new community. Now I need to make sure someone can take over this position if need be. After all, I cannot guarantee perfect health on guild days, and I know that I will need to miss several meetings in this coming year. Therefore, I am asking, "Do you want to be a librarian?" The job can be fun, and it has perks such as first access to the new books! Please come talk to me about what this job entails.

I also wanted to let you know about some changes to what the library can accept in donations. Due to tax law changes, the library is now on a set budget and no longer generates its own money. Therefore, the library will no longer hold any sales. Our bookshelves are full and we need to be selective about what is added to our collection. So, when donating items to the library, please be aware that we look for newer titles and popular authors. Older books, books that use mostly templates for patchwork and magazines may be donated to the Quilt Show Committee for their sale at the quilt show.

2018 PQG Opportunity Quilt

The Opportunity Quilt was presented to the guild at the July guild meeting by committee members Jan Hutchison, Tammy Gross, Nancy Staton, Connie Glaves and Mayleen Vinson.

We chose Sue Daley's English paper pieced pattern, Quatro Colour and received the designer's permission to use it as our opportunity quilt. The pattern made a 60 x 60 inch quilt and since we wanted a bed sized quilt we designed an applique border, making the finished quilt 85 x 85 inches. This meant we needed to finish 100 English paper pieced blocks and 20 applique blocks. It took almost 40 guild members to complete the blocks for this quilt.

We will be selling the tickets for \$1 each or six for \$5 at upcoming meetings. Other guilds require each member to buy \$10 worth of tickets. Prairie Quilt Guild does not make that requirement but imagine if every one of our members did that voluntarily – that would mean over \$6000 for the guild! Please support the guild and buy tickets; \$10 is less than the price of one yard of fabric! We

sold close to 400 tickets at the meeting so we are off to a good start.

Next month we will have tickets available to check out and photos of the quilt so you can sell them to friends, family, at work or your church.
