Important things to remember

Bring your own:

Breakfast every day. Bring your own drinks - but no Alcohol please – we will have coffee, creamer/sugar available, and iced tea. You may bring your own special drink glass or cup.

Bath towels, twin sheets, pillows and blankets/quilt for your bunk bed.

Food for meals that you & several others will be fixing on your assigned day.

Cooking items to help fix your meals for the day you are assigned. There are 3 crock pots on site to use. We provide crock pot liners for ease in clean up. We will be able to use their commercial kitchen. There may be other pots and pans we can use. They have a large walk-in refrigerator, freezers, several ovens and microwave. Please no leftover food to stay in refrigerators. The assigned teams are responsible for planning and clean up for each meal.

Sewing machines, power cord for your machine, lots of projects and anything else you can think of. Be ready to have a great time.

A fan if you tend to be warmer; sweater or sweatshirt if you are cooler.

An extra table light. The lighting is good but some may want more light at night.

Feel free to bring snacks to share with other retreaters.

We have to do a little cleanup before leaving the retreat. Everyone helps with clean-up on Saturday and it is simple. Bring gloves if you need them to clean. We will all share the jobs. Thank you for your cooperation and consideration of all retreaters.

Money for massages (not sure what day yet).

We plan to have fabric vendors. We will have a **Buy, Sell, Trade or Free** table for retreat participants. You must label each item with your name/initials and price.

We encourage each group to have a 15 min. demo to share.

We will have several games throughout the week – it is your choice whether to participate.

Meals

Breakfast will be on your own every day.

Lunch and dinner on Monday will be provided by the retreat committee.

Lunch and dinner on Tuesday, Wednesday, Thursday, Friday and Saturday is as follows:

You will have an assigned day during retreat to help provide the meals & share the cost for that day only. On that day you & several other people will make lunch & dinner. This way you will only have one day to be cooking & cleaning the kitchen. We will give you a schedule for meal prep approx. 2 weeks before retreat.

We need at least 20 overnight reservations by January 31 in order to schedule the retreat.

Bring ear plugs in case you need them. If you sign up for the non-snoring room and you do snore, you may be asked to move. We will have to decide the most appropriate solution for the situation. Please be patient with us and with others too. Be considerate of other retreaters in the dorms. Close doors quietly & **no fragrances!** No music or bright lights while others are sleeping.
