## ***June 2018 Program***

### ***Lynne Hagmeier***

The Kansas Troubles name has been familiar to thousands of quilters and especially those of us from Kansas. So it is especially exciting to have the creator of Kansas Troubles Lynne Hagmeier, speak to us at Guild and offer a workshop the following day. Lynn has created hundreds of quilting patterns, published 2 dozen books (five in a series of historical quilts as well as quilter's journals) & designed over 50 collections of fabric with Moda.

*Kansas Troubles Quilters*

Lynne learned to quilt over 25 years ago at a local quilt shop in Salina, Kansas while working their part time. In 2000, Moda fabrics offered Lynne an opportunity to design fabric for their growing company. What a thrill for her to create a line of fabrics in exactly the colors you want and then make a quilt she herself designed with that new fabric! In 2001 she and her husband Robert sold their house and moved to a restored two-story brick building in Lynne's childhood hometown of Bennington, Ks, to expand her studio and offer Quilting Getaways on the weekends. Lynne and Robert travel several times a year to quilt shop and guilds across the country to offer programs and workshops from her quilt books and patterns. Check out her books, patterns and teaching schedule here. We have only a few openings in her workshop with us. <http://www.ktquilts.com/index.htm>

Lynne and Robert have 6 grown children and 8 grandchildren to love and spoil. Lynne is most generous with sharing her creative ideas with fellow quilters and you can find free patterns on her website here. <http://www.ktquilts.com/free-patterns.htm>

## ***Meeting Location***

## ***President's Notes***

***By Peggy Dawson***

With the temperatures we've been having this past week, I think we can safely say that summer is indeed upon us. I was hoping for spring this year, but we went from winter right into summer.

Summertime as a child was always fun with water balloon fights, swimming, camping and softball. Is it just me or is it hotter, earlier every year? My AC has been on for weeks. My family is gearing up for our Christmas vacation. We are renting a house in Shell Knob, MO for a few days this month. 18 people in a 3400 sq ft home should prove interesting. My hope is that it doesn't end up like a Chevy Chase Christmas vacation!!

Are you planning a vacation? If so I hope you have a wonderful time and enjoy this great country of ours. There are so many things to see and do. I have found a neat website: [www.Onlyinyourstate.com](http://www.Onlyinyourstate.com) If you go to the website you can click on any state, sign up for the newsletter for the states you plan to visit and find out about hidden gems that you may not have even heard about. They might even be near a quilt shop, you never know!

Are your quilts all ready for the quilt show? Are they labeled? Have you put on the sleeve? It will be here before you know it. Have you signed up to be a volunteer at the show? Remember, the quilt show proceeds pay for our speakers and venue rental for the next two years. It takes many hands to pull this thing off properly. Please sign up and do your part to make this our best show ever.

Have you turned in your mini quilt for the Mini Quilt Auction? The monies raised go for the grants given for the next two years to promote the teaching of quilting. Maybe you have an idea for teaching a group to quilt. Go to our website and fill out an application to be considered for a grant. It's really easy to fill out. Just think, you could be teaching the next generation of quilters who will win at Houston someday.

This is our birthday month. Prairie Quilt Guild was started in June of 1982. We are celebrating our 36th birthday. Oh to be 36 again. Maybe then I could get more quilting done. What started with just about a hundred members has grown to nearly 600 today. We have

## ***Cares & Concerns***

Joann Graves passed away  
Betty Peters—hip replaced, now home  
Stephanie Graham's mother passed away

Rose Marie Mintz at 316-788-3547 or

## ***Parking At the Meeting***

You have probably noticed that parking is limited at the Scottish Rite! Some options:

- Organize a carpool with friends
- Park across Topeka Street, but please remember to pay the \$2 fee for your parking space as the fine is \$25 (more than year of \$2 fees)!

We are working on other solutions, but for now sharing the ride is probably our best option.

our founding members to thank for this group of talented folks getting together each month to continue to learn about quilting. We have come so far in the quilting world. New methods of doing things has helped me get more of my bucket list done. How about you? Are you checking things off your bucket list?

Have a great summer. See you at Guild June 12th.

### “Tri” It Out

Block 9

June 2018

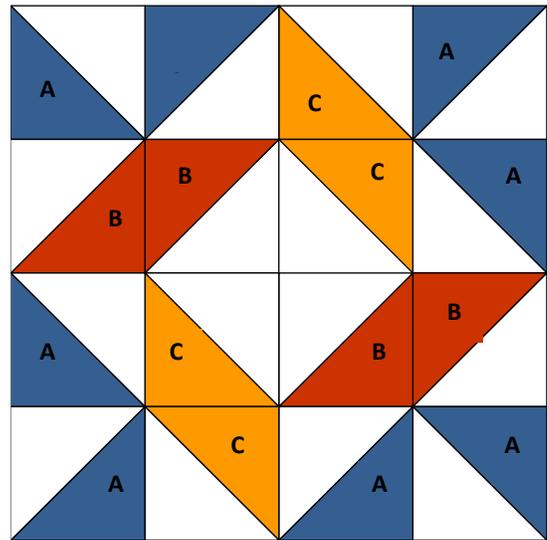

**Directions:** Cut 8—4” squares—Background (light) fabric

Cut 4—4” squares—Fabric A

Cut 2—4” squares—Fabric B

Cut 2—4” squares—Fabric C

Draw a diagonal line on light fabric. Place 1 light & 1 color (dark) fabric right sides together (RST). Sew  $\frac{1}{4}$ ” on each side of diagonal line. Cut on diagonal line. Press seams open. Trim to  $3\frac{1}{2}$ ”. Make 16 half-square triangles. Arrange according to diagram.

### Directions for Finishing Quilt

Setting Pinwheel Blocks: (6 blocks)

Cut 12 – 4” squares – background (light) fabric

Cut 12 – 4” squares – color (dark) fabric

Draw a diagonal line on light fabric.

Place 1 light and 1 dark fabric, right sides together. Sew on each side of diagonal line. Cut on diagonal line. Trim to  $3\frac{1}{2}$ ”. Make 24 half-square triangle units. Use 4 units for each block to form center pinwheel.

Cut 12 –  $3\frac{1}{2}$ ” x  $6\frac{1}{2}$ ” strips – light (background) fabric

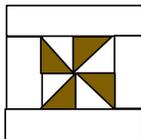

Cut 12 –  $3\frac{1}{2}$ ” x  $12\frac{1}{2}$ ” strips – light (background) fabric

Attach  $3\frac{1}{2}$ ” x  $6\frac{1}{2}$ ” strips to opposite sides of pinwheel block. Press towards strip.

Attach  $3\frac{1}{2}$ ” x  $12\frac{1}{2}$ ” strips to opposite sides of pinwheel/strip block. Press towards outside strip. Make 6.

Accent squares: (feature fabric) – cut 14 –  $12\frac{1}{2}$ ” squares.

Setting triangles: You may use the same fabric as the background, or you may choose a complimentary color (I used the

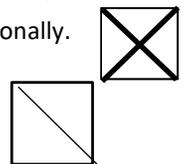

same dark fabric that I used in my pinwheel blocks).

Cut 4 –  $18\frac{1}{2}$ ” blocks – cut each twice diagonally.

You will use 14 triangles (2 will be extra).

Corner triangles –  $9\frac{1}{2}$ ” blocks – cut each one diagonally.

The access & corner blocks are slightly oversized and will be trimmed when quilt is finished. (If using a different size block, you may find charts on the internet for different sizes).

Lay out the triangles and corners with your blocks. Begin sewing the quilt into rows starting at one corner. Your first row will have one corner block, two large setting “wing” triangles, and the corner triangle. Your second row will have three blocks, two wing triangles...etc. Each row will get larger as you get to the center of the quilt. I assembled the quilt rows together from each corner until there were two halves of the top....then sewed the two halves together in one long seam.

After the top is together, use your ruler and rotary cutter to trim the edge of the quilt  $\frac{1}{4}$ ” away from the corners of the blocks at the quilt top edge. This gets rid of all the dog ears from sewing the rows together too.

## Charity Quilts

### Quilting Buddies

Since many of us are finishing up last minute details for the Quilt Show, I thought I would take this time to share some lighthearted reading. I'll take a break this month and get back to bugging everyone to work on a charity quilt after the show.

This month, I would like introduce my quilting buddy. This is my cat, Felix.

I'm sure many of you have a pet that enjoys your sewing almost as much as you. They are good company, never complain about the pattern you choose, don't fuss over color combinations, and they aren't picky about your stitching.

When Felix knows I'm headed to my sewing room or hears the hum of the sewing machine, he comes sauntering in to check out my latest project. His favorite way to help is to "knead bread" to check the loftiness of the layering! Many times, he'll find a quilt piled up on a bed, make a nest and take a cat nap. He even has his own "cat quilt" that he sleeps on at night. But while I'm cutting, sewing or ironing, he enjoys hanging out with me. He'll watch intently or provide amusement by playing with loose threads.

Whether it's our pet, spouse, friend or bee group, it's great to have a quilting buddy (as well as be one to somebody else). Quilting buddies bounce ideas off each other, encourage each other and provide comfort when that project just doesn't turn out like you expected.

Happy Quilting!  
Cindy Wolf
