## **Important things to remember**

Bring your own:

Breakfast everyday. Bring your own drinks but no Alcohol please – we will have coffee, creamer & sugar available. You may bring your own special coffee or drink cups.

Bath towels & washcloth, twin sheets, pillows and blankets/quilt for your bunk bed.

Food for meals that you & several others will be fixing on your assigned day.

Cooking items to help fix your meals. There are 3 crock pots on site to use. You may want to bring crock pot liners for ease in clean up. We will be able to use their commercial kitchen. There may be other pots and pans we can use. They have a large refrigerator, several ovens and microwave.

Sewing machines, power cord to your machine, lots of projects and anything else you can think of. Be ready to have a great time.

A fan if you are hot blooded. Sweater or sweatshirt if you are cold blooded.

An extra table light. The lighting is good but some may want more light at night. Feel free to bring snacks to share with other retreaters.

We have to do a little cleanup before leaving the retreat. Bring gloves if you need them to clean. We will all share the jobs. Thanks

Money for massages (not sure what day yet).

We plan to have a few vendors. We also plan a buy/sell/trade/free table for members attending retreat only.

We encourage each group to have a short demo to share. Help us all learn a new technique.

## **Meals**

**Breakfast** will be on your own every day.

**Lunch and dinner** on Monday will be provided by the retreat committee.

**Lunch and dinner** on Tuesday, Wednesday, Thursday, Friday and Saturday:

You will have an assigned day during retreat to help provide the meals. On that day you & several other people will make lunch & dinner. This way you will only have one day to be cooking & cleaning the kitchen. We will give you a schedule for meal prep 2 weeks before retreat.

**We need at least 20 overnight reservations by July 10 in order to schedule the retreat.**
