### ***Cynthia England***

Cynthia is an international fiber artist, pattern designer and author. She is known for the technique she developed called "Picture Piecing". One of her quilts, "Piece and Quiet" was distinguished as one of "The Twentieth Century's Best Quilts." She has received many awards for her work; including **many** Best of Show awards at the prestigious International Quilt Festival.

<https://www.englanddesign.com/gallery/quilts/piece-and-quiet>

You may see this quilt at the link above. This prestigious list was the result of "The Ultimate Quilt Search" which was a collaboration of 4 non-profit quilting organizations: The Alliance for American Quilts, The American Quilt Study Group, the International Quilt Association, and the National Quilting Association. The special magazine "The Twentieth Century's Best American Quilts" was produced by Primedia Special Interest Publications to commemorate these great quilts.

Here's what 2 well-known quilting authors had to say about Cynthia's book:

"I have always admired Cynthia's quilts for their artistry and attention to detail. This book shows the same qualities. It is full of information and a pure visual delight!" -- Libby Lehman

"It is our good fortune to have Cynthia England share her techniques, and magnificent quilts in this adventure-packed book. Scrumptious quilts, scores of instructional visuals, and wonderful tips fill the pages." -- Joen Wolfrom

Cynthia's credentials include:

- Graduate of The Art Institute of Houston, 1982
- Staff Artist for Petroleum Management magazine, 1981-1986
- Quilt Teacher and Lecturer since 1993
- Quilt Judge since 1998
- Guest on HGTV's Simply Quilts, episode 655, fall 2000
- Guest on Kaye's Quilting Friends, episode 1400, December 2000

## President's Notes

By Peggy Dawson

As I sit here writing my last column as president I am thinking back on all that has happened this year. I remember being scared to death that first guild meeting. Talking to people has never been really hard for me, but getting up on a stage in front of 200+ WOW. I asked for advice. Some was good and some not so good. Just to let you know, I never did picture you all naked! He-he.

There were so many great things that happened this year. I enjoyed all our speakers. I got to take some workshops with quilting celebrities. I got to go on a quilting cruise with my best friends. I became a grandma for the 9<sup>th</sup> time. I've met some wonderful people in the quilting world and our guild.

As a guild we have had a busy year. We had a beautiful quilt show. The exhibits were great. Your quilts were incredible.

We purchased a camera that allows everyone to enjoy our speakers works up close. I'm so glad we had it this past month to actually be able to see the intricate quilting of Joe Cunningham.

We made the decision to stay at the Scottish Rite. This was no easy decision. I know some of you were really wanting to go back to the Senior Center. The newly renovated Senior Center is beautiful. They just weren't able to fill our needs.

### PQG Sewing Room Sale!

We will hold a guild Sewing Room Sale on Saturday, September 29 at the Scottish Rite Center. This is your chance to clean up your sewing room and sell some of that fabric you just don't have time to get to, patterns, books, UFO's, rulers etc. For \$10 you can have an eight foot table to fill with goodies to sell. If you think you don't have enough yourself, get together with friends or your bee.

If you are interested in a table call Jan Hutchison at 316-212-1770 or email at [pjhutchison@sbcglobal.net](mailto:pjhutchison@sbcglobal.net).

## Cares & Concerns

Regina (Gina) Carmichael passed away.

Tana Hurlock passed away.

Please remember to enter Cares & Concerns in the notebook on the Hospitality table or call or email

Teresa Puetz at 316-305-7616 or  
[tpuetz60@yahoo.com](mailto:tpuetz60@yahoo.com)

I made the move to Rose Hill. As I write this my cabinets for my sewing room have just been delivered. The installer will be here Monday. Now I'll be unloading the last of the boxes and can get ready to go to the retreat.

I just got a call from my son. They have taken the baby to the ER. She has a broken leg. X-rays show she has had broken ribs, broken arm and a skull fracture before ever being born. You see, she has the same bone disease as her daddy, my son. Osteogenesis imperfecta...brittle bone disease. A lot more is known about this disease than when my son was a baby. He was born with a broken leg and arm and both his clavicles were broken before he was born. There are several degrees of severity. He had the lesser of them all. I ask that you keep little Tatum in your prayers that she too has a less severe form and doesn't suffer with many breaks.

It has been a year of ups and downs, but I am glad to have had the experience. I feel I have grown in many ways. I hope you enjoyed the ride too. Thank you for letting me be your fearless leader.

Happy quilting,  
Peggy Dawson

### **SALE. SALE. SALE. Are you ready?**

After 30+ years of quilting I have way too much of everything and will never be able to use it all in my lifetime! So, I have been clearing and cleaning out my sewing room and am ready to let you have some really awesome deals on a large array of quilting books; lots and lots of fabric including Fabric bundles, fat quarters to yardage; precuts from charms, jelly rolls, layer cakes! ( There probably will even be some kits and quilt tops too!). Be sure to check out everything I have — all priced to sell! I hope to see you at the PQG Sale on September 29!

Donna Loehr

## Workshop Information

Please read the Guild Workshop Policies first before registering for one of our speakers' workshops.

Workshops cost \$40.00 for a one-day workshop. Please check the class description for details about the cost and materials needed for each class. Workshop fees are non-refundable. Sign up for classes at Guild meetings. Supply lists are also available at meetings—check at the Workshop table.

## Workshop Policy

Workshop fees are non-refundable, unless Prairie Quilt Guild determines it is necessary to cancel the workshop. It is the participant's responsibility to find a replacement if they are unable to attend after committing to take the workshop. Workshops will be open to both members and non-members on a first come first serve basis, with an additional fee for non-members. One month prior to a workshop, if it is not filled, it shall be opened to the public.

## Upcoming Workshops

*September Workshop*

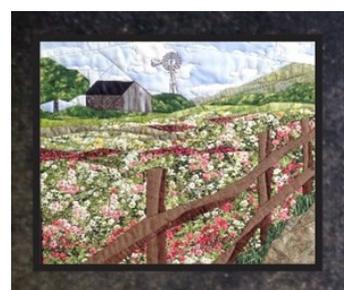

*September 12, 2018*

## *It looks like Paper Piecing, but it's not! What's different?*

1. No paper to pick out
2. No fabric waste - cut out exactly what you need
3. What you see is what you get!
4. Can reuse the pattern
5. Use a regular stitch length
6. You can "chain stitch" in larger sections
7. You can CHEAT!

If you don't sew it perfectly, don't rip it out! You can either sew closer, or pick the paper pattern up and move it! You may chose Mr. Frosty and purchase a kit for \$56 or Blue/Pink Landscape and that kit is \$37.

## Triangle Frenzy

### “Tri” It, You’ll Like It!

The finished layout, yardage and instructions are printed below.

### “Tri”umphant!

Block 12

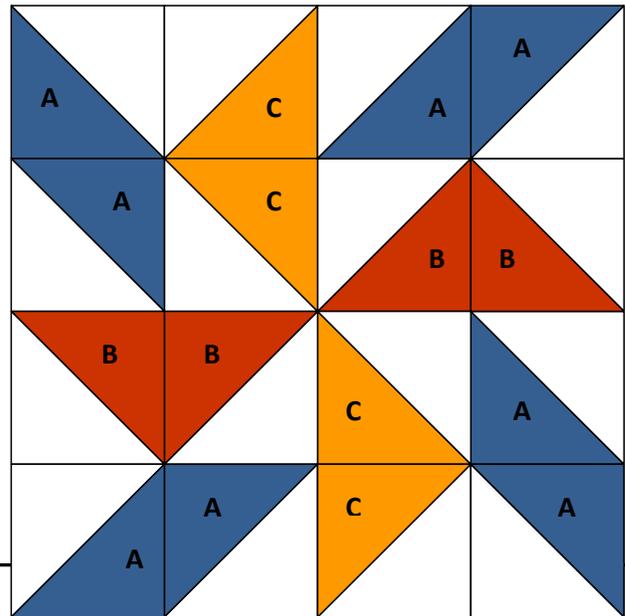

**Directions:** Cut 8—4” squares—Background (light) fabric

Cut 4—4” squares—Fabric A

Cut 2—4” squares—Fabric B

Cut 2—4” squares—Fabric C

Draw a diagonal line on light fabric. Place 1 light & 1 color (dark) fabric right sides together (RST). Sew  $\frac{1}{4}$ ” on each side of diagonal line. Cut on diagonal line. Press seams open. Trim to 3  $\frac{1}{2}$ ”. Make 16 half-square triangles. Arrange according to diagram.

### Directions for Finishing Quilt

Setting Pinwheel Blocks: (6 blocks)

Cut 12—4” squares—background (light) fabric

Cut 12—4” squares—color (dark) fabric

Draw a diagonal line on light fabric. Place 1 light and 1 dark fabric, right sides together. Sew on each side of diagonal line. Cut on diagonal line. Trim to 3  $\frac{1}{2}$ ”. Make 24 half-square triangle units. Use 4 units for each block to form center pinwheel.

Cut 12—3  $\frac{1}{2}$ ” x 6  $\frac{1}{2}$ ” strips—light (background) fabric

Cut 12—3  $\frac{1}{2}$ ” x 12  $\frac{1}{2}$ ” strips—light (background) fabric

Attach 3  $\frac{1}{2}$ ” x 6  $\frac{1}{2}$ ” strips to opposite sides of pinwheel block. Press towards strip.

Attach 3  $\frac{1}{2}$ ” x 12  $\frac{1}{2}$ ” strips to opposite sides of pinwheel/strip block. Press towards outside strip. Make 6.

Accent squares: (feature fabric)—cut 14—12  $\frac{1}{2}$ ” squares.

Setting triangles: You may use the same fabric as the background, or you may choose a complimentary color (I used the same dark fabric that I used in my pinwheel blocks).

Cut 4—18  $\frac{1}{2}$ ” blocks—cut each twice diagonally. You will

use 14 triangles (2 will be extra).

Corner triangles—9  $\frac{1}{2}$ ” blocks—cut each one diagonally.

The accent & corner blocks are slightly oversized and will be trimmed when quilt is finished. (If using a different size block, you may find charts on the internet for different sizes).

Lay out the triangles and corners with your blocks. Begin sewing the quilt into rows starting at one corner. Your first row will have one corner block, two large setting “wing” triangles, and the corner triangle. Your second row will have three blocks, two wing triangles...etc. Each row will get larger as you get to the center of the quilt. I assembled the quilt rows together from each corner until there were two halves of the top....then sewed the two halves together in one long seam.

After the top is together, use your ruler and rotary cutter to trim the edge of the quilt  $\frac{1}{4}$ ” away from the corners of the blocks at the quilt top edge. This gets rid of all the dog ears from sewing the rows together too.

## Charity Quilts

As the calendar year for our guild comes to a close, so does my chairing for the Charity Quilt Committee. It has been an enjoyable year, but the addition of other things in my personal life (all positive!) prevent me from continuing with the dedication that this position requires.

Thank you to all the Guild members who have supported me by donating their time, talents and fabrics to Charity Quilts. Your words of encouragement and thoughtful ideas were also appreciated.

Hopefully soon (if not already), another person (or several people) has stepped up to volunteer to chair the Charity Quilts. Be assured that it is a rewarding position! It is very heartwarming to represent the Guild when delivering quilts to our community neighbors. It was also wonderful to see all the talent and generosity within our Guild!

Whoever decides to take over, know that I am available to contact with any questions. All of the fabrics and supplies are organized and will be easy to transition. I hope that you enjoy this stewardship as much as I did.

Happy Quilting!  
Cindy

## Crazy Horse Fabric Drive

Alcoholism and poverty have a huge impact on family life on the Lakota Indian Reservation in South Dakota. Just hearing about grandparents raising their grandchild-

-ren after one parent or whole families have been killed in drunk driving accidents makes a quilter want to find some way to help. Children who need bicycles, scooters or wagons to get them out of the house for respite or safety brings tears to my heart as well.

Recently a sewing center has been created, and the Lakota women are creating Lakota Star Quilts. Before missionaries brought fabric to the Dakotas, tents and clothing were decorated with stars made from porcupine quills and beaded patterns. Today, fabric in all colors is used to create the Lakota Star quilts. Donations of fabric are welcomed. Fabric or prints that read as a solid color are preferred. The ladies often use flat sheets as backings for their quilts, so if you have some backing fabric or lightly used top sheets, that would be welcomed as well.

Fabric Donations will be collected at the September Guild Meeting, and delivered to the Reservation. If anyone has a gently used bicycle, scooter, or wagon, we will deliver them as well. Thank you in advance for your generosity. If needed, we could pick up your donation. Call : Vera Zahner 686-2315
