QUILT SHOW ENTRY FORMS (see pages 6 & 7)

There are two quilt show entry forms for our 2020 quilt show! Most of us will use the General Entry and Judged Quilts form. There is a separate and different form for Youth Quilter entries.

Please fill in all the information which pertains to your quilt entries. Life will be a lot easier if we don't have to call you to get missing information.

**A few things to remember:** Debbie Jones' tip to fill out the Member Information at the top of the entry form and then make copies of the form for all your entries is a good one! Please print legibly.

**Important** - The firm entry deadline is March 20!

## *President's Notes*

*By Kendra McBroom*

Happy New Year, my dear friends! By now the presents have been unwrapped, the New Year rung in and life is starting to get back to our regular routine. I hope all of you had a good holiday and stayed safe and warm.

When I think of what is on the calendar for this year, it looks like a lot of fun activities and many of them involve my favorite thing, QUILTING! The biggest thing is to evaluate what my hands have touched since 2018 and determine what I can enter in the Common Threads Regional Quilt Show in June. I am one of those folks that never thought that my projects were good enough to be judged. However last show, I got up the nerve to enter 3 items for judging. I admit I was nervous. When I got back the judges' comments, it was in such a kind way of suggestions that it wasn't the least bit as tough as I thought it would be. I got to thinking that that is what we do with many other points in our life. We ask for opinions, suggestions and even take criticism. Think of our cooking, clothing choices, health issues, and also something as simple as our phone selections. Why wouldn't we want some helpful input on the activity that is uppermost on most of our minds? Take the plunge and enjoy the experience.

I buy my new calendar in November and start filling it up as soon as I have dates and times for events. My most fun event of every year is retreats. Last year I enjoyed 7 and already have several lined up for this year. I encourage you to try one if you have not before. If you are not sure, make it a day or two away without all night lodging. It is not about the time you can sew; it is the lifetime friendships and laughter that will bless you. Register early, because I have already missed out on one of my favorite retreats because I didn't sign up in time.

I look forward to sharing this year with you, my quilting family.

## 20/20 Vision for the Future

### 2020 PQG Resolutions

by Kendra McBroom

Many of us at this time of year think about what the upcoming year holds for us and our surroundings. Our groups, our families, our future. I have made resolutions for many years; however, the past 5 years I have had the same list and continue to do so this year. I will share it with you and how I am using it to focus on Prairie Quilt Guild with the same list. 1. Be a better person – Think about the positive and not so quick to offer my opinion. Every person is a possible new friend. Let others take the lead and give credit for their input. 2. Take care of me – Evaluate my priorities and realize that it is ok to say no to some requests and allow myself to focus on my needs, (rest, family time, health concerns, retreats, take more walks, more Bible study, etc.) I will ask others to help me instead of trying to do it all myself. 3. Finish what I start – Make a list of projects or commitments and whittle it down to a sensible attainable list. If I join in a PQG project, do my best to continue with it. Sharing the process with others gives me accountability and shared involvement. Even my own lists can be overwhelming if I don't keep working at it. 4. Gratitude Attitude – Be more grateful for what I have and not what I missed out on. Share those blessings with others. Do more charity work while thinking of others less fortunate. Use my voice more to express my gratitude. Praise others without expecting anything in return. Instead of trying to work at a Bucket list, I have started a Gratitude list to remember the blessings of daily life. 5. De-Clutter – cleaning up my lists and living space allows a clearer and cleaner plan for my future. Increase my trips to the recycle center, donation center and charity table. This could be boiled down to the word SIMPLIFY. I will regularly clean out a drawer, cabinet or cupboard. I invite you to make this your resolution list with me as we usher in a brand new year. Oh yes, I always include that horrible word – Diet!! (See #2)

I hope you will make resolutions for your life and the 20/20 vision for our guild.

# 2019-2020 Block of the Month - January 20120

## Kansas Theme Block #4 Darting Birds

For this 4<sup>th</sup> month, we will use **Darting Birds** for our center block, by Carrie Nelson in Summer Moon Book. This block will use the same 3 color combinations in the 6 ½ inch center block.

### Darting Birds

Cut 1-2 ½ inch square of your white background color.

Cut 2-2 ½ inch squares of your chocolate (dark) color.

Cut 3-2 7/8 inch squares of your white background color.

Cut 3-2 7/8 inch squares of your gold (lighter) color.

Lay the three 2 7/8 inch white blocks on top of your three 2 7/8 inch gold blocks.

Draw a line diagonally from corner to corner. Sew ¼ inch along both sides of the lines. Cut down the drawn line to make a square with white on one side, gold on the other.

On the top row, place combo square made in step 6 with gold in right lower corner, second block with gold in left lower corner, and third square of your solid chocolate (dark) color.

For the second row, place one combo square from step 6 with gold in right lower corner, center square of solid chocolate (dark) color and third square of combo square with gold in left lower corner.

For the third row, start with the solid white square, combo square with gold in left upper corner and third square with gold in left upper corner.

Sew all three rows together. Trim to 6 ½ inch square block.

Churndash Design for border of above square.

Cut 4 strips of 2 x 6 1/2 for the orange (dark color).

Cut 4 strips of 2 x 6 1/2 for white (beige).

Cut two 3 7/8 white squares (light color) and two 3 7/8 squares brown (dark color) for corners.

Place a white square on brown square and draw line from one corner to opposite corner diagonally. Sew a ¼ inch seam on each side of this line. Cut down the drawn line to make two squares, combo white and brown. Do this with other two squares to make 4 combo squares.

Sew orange (dark color) and white color strip together lengthwise. Do this for each orange/white combination to make 4.

Sew one combo strip to the left side of the Darting Birds block and another to right side, making sure orange (dark) color is sewn next to the Darting Birds block.

Sew a brown/white square to the right side of an orange/white combo strip (orange side down), making sure the dark triangle is next to the strip. Sew the other brown/white square to the other end, dark triangle next to the strip.

Sew this piece to the top side of the Darting Birds block.

Sew the last two brown/white square to the combo strip, orange side up this time and the brown triangles facing the combo strip. Attach this piece to the bottom of your Darting Birds block. Block should measure 12 ½ inch square completed.

## Sara's String of Friends

To remember my year as president, I would like to make a friendship quilt. I introduced my project last month and had some wonderful friendship blocks given to me at the December meeting, but I would like some more! I would be pleased if you made a block for me. The block I've chosen is the Chandelier Block, really a simplified nine patch.

Remember, the colors are neutral (white or off-white), yellow/gold/orange, and indigo (dark blue—think night sky). You may choose solids or prints. If choosing prints, please choose those that will read as the colors named.

I will have a basket to collect blocks at the January and February meetings. I will also have a pen for you to sign your block. Many thanks for sharing in my memories of PQG! Happy New Year! *Sara Farley*

Cut . . .

A: one 3 ½" square of neutral (white or off-white)

B: two 2" squares of yellow/gold/orange

C: two rectangles (2" X 3 ½") of indigo

D: two rectangles (2" X 5") of indigo

Sew . . .

2" squares to the longer rectangles (B + D), pressing to the dark

Shorter rectangles on either side of the neutral square (C + A + C),

pressing to the dark

Rows together as shown, pressing to the dark

Your block should be 6 ½"

Please sign your block with a black pigma pen

Please note that the block will be set on point.
