## April 2021 Program

Kris Vierra

## SO I GOT IT PIECED, NOW WHAT ?

Kris has been sewing or quilting for over 20 years. She loves sharing her passion for quilting and all things related to fabric, believing that quilting should be fun and not stressful. Kris teaches at national shows and guilds across the country, and has won numerous national awards for her machine quilting skills over the years. Most recently Kris was awarded Best Long Arm Quilting at AQS Paducah 2018, Phoenix and Des Moines, 2016, and the PFAFF Master Award for Machine Artistry at the International Quilt Festival Houston, 2015. Two of her quilts, *Tiger, Tiger* and *Star of India*, are part of the permanent collection at the National Quilt Museum in Paducah. She loves traveling and meeting quilters from around the world. Kris believes that no matter what language you speak, fabric is universal. Kris is the author of the "Stress Free Quilting™" series which focuses on making quilting fast, easy, fun, and as stress free as possible. You can find out more about her books and classes on her site, [quilterontherun.com](http://quilterontherun.com)

# President's Notes

by Kendra McBroom

with technical assistance from Kate Crandell

During the February Guild Meeting, I mentioned that I have been learning how to use a program called Zoom. Many members of the Board have been working very hard to ensure that our transition to this new option will be completed as smoothly as possible for our Guild members and I wanted to use this month's article to answer a few questions about this topic to help our Members understand the benefits of this new option.

## ***What exactly is Zoom?***

Zoom is a utility available for use on your phone, tablet, or computer that allows you to meet securely with others one on one or in groups. Zoom allows people living in the same City or in different countries to meet, share files, chat, and record videos. Many military families have used Zoom as way to communicate with loved ones who are deployed.

## ***Why does the Guild need it?"***

Initially the Guild needed Zoom so that we could meet virtually and share our love of quilting when we were not allowed to meet in person. Now that restrictions are less and the chance to meet in person is on the horizon, Zoom is going to allow the Guild and Guild members more flexibility. We will be able to hire speakers that we could not previously afford because of travel costs. If the weather is cold outside, our members will have the option to attend Guild meetings using Zoom. If our members are not able to find a sitter for Guild night, they can still attend virtually. Zoom meetings will not limit us, they will give the membership more options to attend meetings in a manner that fits their lifestyle.

## ***How will using Zoom affect workshops?***

As of our April Workshop, we can once again have in person Workshops. However, Zoom is going to allow members who may not be able to make it to Wichita for the workshop to still be able to attend. We may be ready for in person workshops but many of our speakers are still not comfortable with travel. We are still working through the issues of conducting workshops via Zoom. The Board had our first meeting with the "Zoom Wizard of Quilting", Diane Murtha. Diane has been teaching other Guilds how to Zoom and agrees that by using Zoom, many new opportunities will open up for Guilds in regards to speakers and workshops. Diane believes that it is critical to the long term health of the Guild to learn how to use Zoom effectively. As Diane says "Zoom or Die".

There are many other benefits to using Zoom including the fact that it allows us to see each other, to reach out and make sure that we are all doing ok during this stressful time. We need personal contact. Zoom will also allow us to playback a workshop video and watch it again until you have the technique down pat.

In closing, Zoom is here to stay, and I think it will become more ingrained in our daily lives. Over the course of the next few weeks, the Board Members will be learning how to run a combination meeting (In Person

and Zoom) to prepare for the time when we can once again meet in person and be able to offer an option for those who are not able to attend in person to still be able to enjoy the program and contribute. It is vital that as times change that our Guild continues to be grow and improve. Just as our skills change over time as a quilter, our Guild must work hard to stay up with current technology, so that we attract new members and have the chance to hear new speakers regardless if they are here in the US or in some other country. Zoom is simply just another tool that we have added to our arsenal. We must learn how to use it to our benefit just as we would any new quilting tool or technique.

## Camp News

Plans are underway for the 2021 PQGKS Summer Quilt Camps.

This will be the second year for Adult Quilt Camp. No experience level is required. The subject will be 60 degree triangles and the many variations for putting a quilt of these together. The dates for the Adult camp are June 14th through the 18th.

The 2021 Kids Quilt Camp will feature Half Square Triangles and Flying Geese. Each camper is required to bring an adult. There are two sessions for Kids Camp - June 28th through July 2nd and July 12 through 16th.

Masks and temperature checks will be required each day in line with the Sedgwick County Health Department's Policy at the time of Camp. Other precautions for communal pressing and cutting stations will also be implemented. Equipment will be sanitized regularly.

Registration for both camps will be online this year and will begin in April. Project books for each camp will also be for sale in April.

Look for the interest survey in next month's newsletter

## Upcoming Programs

MAY: PQG - HOW TO ZOOM

JUNE: PAM GOGGANS - A SAMPLING OF SAMPLERS

JULY: LEA MCCOMAS - DRIVING IN THE DARK:MY JOURNEY IN FIBER ART

AUGUST: MARTHA SPARK - A TISKET, A TASKET - OH- SO MANY BASKETS

SEPTEMBER: JANE BROMBERG - FINISHING UP

## *Charity Quilt Committee*

I didn't have anything good to say about the super cold weather we had in early February, but when we received 100 quilts at our March Drive-Thru, I wondered if our quilters just hunkered down in their sewing rooms to ride out the freeze. If this did have an influence it is just another example that hardships can have happy results.. Whatever the reason for your generosity, there are many agencies, and the people they serve, that have smiles on their faces in March. I was lucky to see a few of them.

We not only received more quilts than ever at a Drive-Thru, but we also had a good variety of sizes and some very beautiful quilts. Thank You!

We are planning another Drive-Thru in April on Monday. April 12 between 1:00-3:00 p.m. at Pleasant Valley Methodist Church. We hope to see many of you there.

## Mary Graham

### Mary Graham by Kendra McBroom

Mary Graham is such an interesting and fun person to get to know. She has served on several committees and always meets people with a laugh and a smile. She lived in Derby.

What food do you love that a lot of people might find a little odd? Fried crappie – My dad was a fisherman. He fished and hunted a lot when I was a child. He actually hunted more with my brothers but I got to enjoy the fish when he brought them home. I did not like the sage taste of the deer but to this day I still love the taste of the fried crappie.

If you could start a charity, what would it be for? Although there are groups that do this now, I would like to anything to promote kindness and gratitude.

What is something that was once important but is now becoming less and less relevant? I use to be concerned about my weight and my figure. After my 80<sup>th</sup> birthday in January, I realized that is not that important now.

What is your favorite food combination? Without a doubt, it is hot fudge sundae! I don't indulge very much anymore as I try to watch my A1C more closely. I also like Asian food for a real treat.

What is your pet peeve? My personal pet peeve is when I do not get something accomplished every day. I feel like I have wasted something valuable. A pet peeve about others is using bad language.

How did your parents meet? Another couple introduced them. My mother was from Caldwell, Ks working as a Dental Hygienist. My father worked for Boeing for 35 years as the head of General Inspection on 2<sup>nd</sup> Shift. I still feel a lot of pride in my parent's accomplishments.

If you were a superhero, what would your power be? Why? I would take my magic wand and instill love and gratitude in everyone. I would tap myself first because we all need reminded.

What is something you keep telling yourself you'll do when you "have the time"? Clean my house! It just waits for me patiently. Another thing I want to do is to paint. I enjoy oils and

water colors and would like to venture into acrylics.

What is your current quilting project? I have at least 10 of them. I am working on a Delectable Mountain quilt. I am also making baby Quilts for Country Rose Guild and putting binding on the Dresden Star quilt I made at the Edita Sitar workshop several years ago with PQG.

I have enjoyed getting to know Mary through many retreats with the guild. Her laughter is infectious. If you have the chance to get to know Mary, you will definitely have a treasured friend. Her daughter Jennifer Graham-Rateliff is also a guild member and is currently serving on our Board of Directors.

## ***News from the Retreat Committee!!***

The Retreat Committee has been discussing our plan of action regarding the scheduling of retreats for 2021. Obviously, we are all missing our fabulous retreats - our friends, our sewing time, our meals that we do not have to prepare, our FUN. Although the threat of Covid19 by the time of a retreat will be greatly reduced, but due to its continued threat and the various variants that are out there, the retreat committee is not sure what course we should take and would like your input.

For informational purposes for the retreat committee, please let us know which of the following you would feel most comfortable with:

If you would not want a retreat this spring (April) but would be interested in a retreat in the fall, please let us know.

If you would be interested in a spring (April 13-17) retreat please let us know if you would prefer a retreat for 4 days/4 night (Tuesday-Saturday) - cost \$210.00; or a 3 day/3 night (Wednesday-Saturday) - cost is \$160.00/person; or a 2 day/2 night (Thursday-Saturday) - cost \$110.00/person retreat. Saturday would be included in these rates. There is a minimum requirement of attendees at our retreat location and if this is not met we would not be able to schedule this at all or we may need to reduce the total number of days/nights to fit the minimum required. (A fall retreat could/would also be scheduled).

If you would be interested in a fall (October) only retreat, please let us know.

As before, the retreat will be held at Wheat State Camp--east of Wichita and just West of Augusta. Two meals per day will be provided as in the past as part of the fee to attend.

Due to the timing of a spring retreat, we feel it would be necessary for a deposit of \$20.00 to be sent along with the registration form (this form can be found on the PQG website); this money will be refunded if PQG finds it necessary to cancel the April 2021 retreat. Please mail both the deposit and registration form to Donna Loehr email: cr8ivemama@yahoo.com

## Quilt Challenge Deadline Extended

Welcome to My Table

Prairie Quilt Guild 2021 Challenge Table Topper/Runner

We are EXTENDING the Challenge. People are getting vaccinated so they can get out more. We have sold 12 kits; and we would like to have 25-30 people in this challenge. Please come join us in this challenge.

You can pick up your challenge kit for \$8 at three different Quilt Shops:

You need to ask the store where to find the challenge kits. Cash or checks made to PQG only

Picket Fence      Hen Feathers      McDonald's Sewing Center.

We want to challenge both your artistic creativity and current quilting skills. Give yourself a chance and you might be surprised by what you can do. Enjoy working on your table project in February and April. Remember to turn in your completed creation before the APRIL (this date has been extended) meeting. The table projects will be displayed at McDonald's Sewing and Vacuum the month of April where you can view them and vote on them. We will tell you the different ways to vote in the next newsletter. Pictures of each entry will be posted on the Prairie Quilt Guild Wichita Kansas Facebook page. The winners will be announced at the May meeting.

For an extra \$1 I will mail you the fabric and challenge information. Contact Debbie Jones 316-841-0456
