*Pricing for all days is \$180.00.* There is sleeping accommodations for 16 attendees. Due to the limited number of spaces available, it is necessary that at this time we take reservations for only those wanting to attend Tuesday through Saturday. If there is space still available after the August guild meetings, I will then be in a position to accept any shorter stay requests.

**Sleeping arrangements:**

Be sure to bring any item(s) that will aid you in a restful night of sleep. Any special sleeping requests will be noted and every effort will be made to accommodate your request.

\_\_\_\_\_ I do have problems with stairs and will need a bed on the main floor.  
(There are only 6 beds available on the main floor so please choose this option only if you cannot use the stairs once a day(night) for sleeping purposes)

**Meals:** *Breakfast* will be on your own each day of attendance.

*Lunch & Dinner* – TBD -- unless a plan has developed regarding these meals, we will meet right after the September afternoon guild meeting to discuss how we would like to handle these meals so be thinking about what you would like to have &/or what you would like to do. If you cannot make this meeting please let me know what your ideas are regarding this.
